

Figure 1A

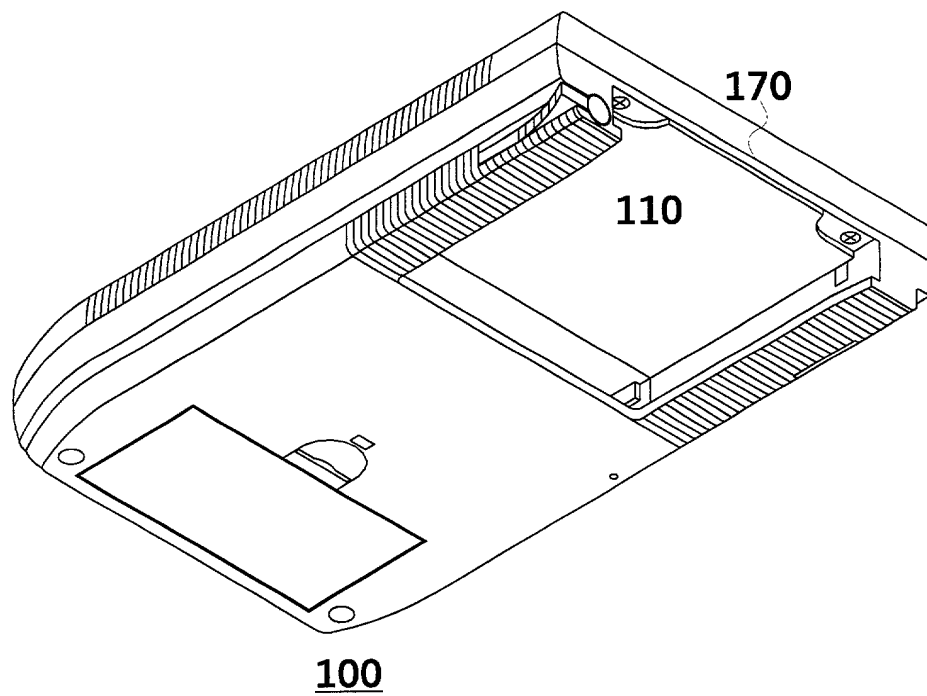

Figure 1B

FIG. 1 is a perspective view of a mobile device in a closed position. The device includes a housing 100, a display 110, and a keypad 120. The display 110 is located on the front face of the device, and the keypad 120 is located below the display. The housing 100 is shown in a closed position, with the display 110 and keypad 120 visible. The device is shown in a perspective view, with the front face and side faces visible. The housing 100 is shown with a top edge, a bottom edge, and side edges. The display 110 is shown with a top edge, a bottom edge, and side edges. The keypad 120 is shown with a top edge, a bottom edge, and side edges. The device is shown in a perspective view, with the front face and side faces visible.
